

BOOK OF THE MONTH SUMMARY

FOR MEMBERS

**OVERVIEW**

# Developing Great Managers

## 20 'Power Hour' Conversations that Build Skills FAST

by Lisa Haneberg

**Key things you will learn.**

- Why management training is important
- Why a series of brief management training sessions is better than one long session
- What the Power Hour training method is
- How to plan and organize Power Hour sessions

**Overview.**

Managers are intensely busy professionals and lengthy training sessions just put them further behind and add to their stress. Consultant Lisa Haneberg and the American Society for Training and Development have developed an approach that avoids those problems

**About the Author.**

Lisa Haneberg is a consultant, speaker and author. Her areas of expertise include leadership, management and organizational and personal achievement.
